

Constantina Alina Hossu

1. Personal details

Name	Constantina Alina Hossu
Contact	+40744817810, alina.hossu@g.unibuc.ro
Date of birth	19.09.1987
Place of birth	Bucharest, Romania
Citizenship	Romanian

2. Work and Research Experience

October 2013 – September 2022 **Scientific Researcher** at the [Centre for Environmental Research and Impact Studies](#), University of Bucharest, Nicolae Balcescu 1, Bucharest, Romania.

Research projects

2024-2026 Responsible for the work package coordinated by the Centre for Environmental Research and Impact Studies, University of Bucharest of the EU project: GREEN-INC ‘[Growing Effective & Equitable Nature-based Solutions through Inclusive Climate Actions](#)’, F-DUT-2022-0013

2021– 2023 **Alexander von Humboldt Fellow** with the project: *Collaborative urban green infrastructure planning: a multi-method approach for learning from two contrasting European cities - Munich and Bucharest*, [IOER](#) and [TUM](#), Germany

2020 – 2022 **Principal coordinator** of the project [Developing novel collaborative planning approaches to increase cities sustainability](#), PN-III-P1-1.1-TE-2019-1009, UEFISCDI, University of Bucharest, Romania

2018 – 2020 **Principal coordinator** of the project [Methodology to evaluate the quality and the effectiveness of environmental planning](#), PN-III-P1-1.1-PD-2016-0248, UEFISCDI, University of Bucharest, Romania

2020-2022 **Postdoctoral researcher** within the project [Benefits and constraints of joint decision making in Romania. From public participation to collaborative](#)

	<u>Environmental Impact Assessment</u> , PN-III-P1-1.1-TE-2019-1039, UEFISCDI, University of Bucharest, Romania
2021	Biodiversity expert within the project <u>Invasive species management in Romania</u> , MySMIS 120008, Regional Development Fund – The Large Infrastructure Operational Programme 2014-2020 (POIM), Romania
2017 – 2019	Postdoctoral researcher within the project <u>Nature-based solutions for increasing cities resilience and sustainability</u> , PN-III-P4-ID-PCE-2016-0635, UEFISCDI, University of Bucharest, Romania
2017 – 2018	Postdoctoral researcher within the project <u>Experimental Methods for Ecosystems Services Assessment of Urban Lakes under Climate Changes</u> , PN-III-P2-2.1-PED-2016-1300, UEFISCDI, University of Bucharest, Romania
2015 – 2017	Researcher within the project <u>Methodology for the management and resolution of environmental conflicts in Natura 2000 network</u> , PN-II-RU-TE-2014-4-0673, UEFISCDI, University of Bucharest, Romania
2013 – 2015	Research assistant within the project <u>Dynamic interaction between the natural and human components based on the synergy of ecological and socio-economic factors in the rapidly urbanizing landscapes</u> , CNDI-UEFISCDI, PN-II-PT-PCCA-2011-3.2-0084, University of Bucharest, Romania
2012 – 2014	Research assistant within the project <u>Modelling of environmental impact induced by the typologies of incompatible land uses in human settlements</u> , PN-II-RU-TE-2011-3-0285, UEFISCDI, University of Bucharest, Romania

Teaching activities

	Teaching <i>Statistics in Environmental Science</i> (Bachelor Studies, University of Bucharest, Faculty of Geography, Romania)
2017-2018	Teaching <i>Multivariate Statistical Analysis in Social and Environmental Sciences</i> (Master Studies, University of Bucharest, Faculty of Geography, Romania)
	Teaching <i>Fundamentals in the Elaboration of National Policies and Strategies</i> (Master Studies, University of Bucharest, Faculty of Geography, Romania)

3. Education

October 2021 – March 2023	Humboldt Fellow , Host institutes: Leibniz Institute of Ecological Urban and Regional Development (IOER) and Chair for Strategic Landscape Planning and
------------------------------	--

Management, Technical University of Munich, Germany, Project title:
Collaborative urban green infrastructure planning: a multi-method approach for learning from two contrasting European cities - Munich and Bucharest

April 2018 **CEEPUS Scholar** at Slovak University of Technology, Bratislava, Slovakia

September 2016 **Certificate in Mediation** - Alternative Dispute Resolution, Pro Training Mediation, Bucharest, Romania.

June 2016 **Participation at the [International Summer School on Grounded Theory and Qualitative Methods](#)**, University of Pisa, Pisa, Italy.

September – December 2015 **[Fulbright Scholar](#)**, Department of Urban Studies and Planning, Environmental Policy and Planning Group, Massachusetts Institute of Technology (MIT), Cambridge, MA, United States of America;

April - October 2015 **[Postdoc Scholar](#)**, The Research Institute of the University of Bucharest, Romania.

PhD student, Faculty of Geography, University of Bucharest, Bucharest, Romania.
PhD thesis title: *Locational and landscape conflicts in Romania: spatial characteristics and sustainable spatial planning* (graduation with excellence).

2011 – 2014 Committee members: Prof. Dr. Ileana Pătru Stupariu (University of Bucharest, Faculty of Geography, Romania), Prof. Dr. Cristian Iojă (University of Bucharest, Faculty of Geography, Romania), Dr. Anna Hersperger (WSL Birmensdorf, Switzerland), Prof. Dr. Felix Kienast (WSL Birmensdorf, Switzerland).

2012 – 2013 **PhD fellow** on a [Sciex scholarship](#), Switzerland. Swiss Federal Institute for Forest, Snow and Landscape Research, Birmensdorf, Switzerland;

2009 – 2011 **Magister in Environmental Science** – University of Bucharest, Faculty of Geography, Romania;

2006 – 2009 **Bachelor in Environmental Science**, University of Bucharest, Faculty of Geography, Romania.

4. Manuscript reviewer

Review Editor for Land Use Dynamics, Frontiers in Environmental Science, Reviewer for: Ecology and Society, Landscape and Urban Planning; Landscape Ecology; Ecosystem Services; Urban Forestry & Urban Greening; Environment and Planning B: Urban Analytics and City Science; Journal of

Environmental Policy & Planning; Journal of Environmental Management, International Journal of Urban Sciences, PLOS ONE, Journal of Environmental Policy & Planning, Sustainability, Forest Policy and Economics, Mountain Research and Development; Carpathian Journal of Earth and Environmental Sciences.

5. Thesis co-supervisor

2022 Master Thesis: ‘*Urban green spaces through the gender lens: The differences in gender perceptions towards urban park’s structural diversity characteristics in Mexico City.*’ by Brosnar López Rodríguez, Technical University of Munich, Chair for Strategic Landscape Planning and Management, Germany

6. Languages

Romanian: native language, **English:** fluent, **German:** A2 level

7. Leadership and social skills

2022 Organizer together with Dr. Martina Artmann for the session entitled: [Relational values and planning of urban nature and biodiversity](#), Dresden Nexus Conference, 23-25 May, Online event

2021 Invited panelist at the International Conference “*From Plans to Land Change: Dynamics of Urban Regions*”, organized by Swiss Federal Research Institute WSL, Switzerland, Virtual event

2018 Committee Member for the Session: *Nature-Based Solutions & Instruments* within AESOP Annual Congress: Making Space from Hope, 10-14 July 2018, Gothenburg, Sweden

2015 Member of the organizing team of the ECOSMART international conference, Bucharest, Romania

2015 Committee Member for the Session *Mountain Land Use Changes and Ecosystem Services* within the 9th IALE World Congress, July 6th, 2015 Portland, Oregon, USA.

2011 Organizer of the National Symposium of Geography Students, XVIII edition, Faculty of Geography, University of Bucharest, Romania

2011	Volunteer in coordinating activities at ‘Viitor Plus – Association for Sustainable Development’, Bucharest, Romania
2010	Volunteer in educational training of Roma children at ‘Valentina’ Foundation, Bucharest, Romania

8. Computer skills

ArcGIS software, R software, SPSS Software; Image processing: AdobePhotoshop, GNU Image Manipulation Program (GIMP), Inkscape, Microsoft Windows, Office™ (Word, Excel, PowerPoint, Outlook);

9. Member of international associations

Member of Society for Urban Ecology

10. Awards and Scholarships

The Humboldt Research Fellowship for experienced researchers (March 2021); Rada Mihalcea award for Young Researchers in Science and Engineering, Cluj-Napoca, Romania (August 2019); CEEPUS teacher mobility grant at Slovak University of Technology, Bratislava, Slovakia (April 2018); Fulbright Senior Award competition for visiting scholars, Cambridge, MA, USA (January 2015), 9th IALE World Congress Foreign Scholar Travel Award, Portland, OR, USA (January 2015); Sciex-NMSch Scholarship, Switzerland (May 2012); UEFISCDI (CNCSIS) award for papers published in ISI listed journals (2014-2020).

11. Other scientific courses

- Participation at “Environmental Planning and Policy”, class 11.601, Prof. Lawrence Susskind, September – December, 2015, Massachusetts Institute of Technology (MIT), Cambridge, MA, USA
- Participation at “Writing Clinic for Researchers”, Dr. Silvia Dingwall, a four-day workshop in writing scientific English, March – April 2013 at WSL, Birmensdorf, Switzerland

- Participation at the workshop: Introduction in Swiss spatial planning (Einführung in die Raumplanung), VLP-ASPAN (Swiss Association for Spatial Planning), October – November 2012, Zug, Switzerland
